Ok, great.

I forgot to mention that Navajo EPA was also wondering if it would be possible to get an update on the final FIP for Four Corners. Do you know when it's going to be published in the Federal Register?

Hi April,

Thanks very much for discussing this with Navajo EPA . . . We will keep this in mind, and I'll plan to check in with you again in October, if not sooner.

Anita

Subject: NGS proposed rule

Hi Anita,

I just wanted to touch base on your inquiry about not publishing the NGS proposed rule in the Federal Register and to simply keep it in limbo for the time being. I spoke with Navajo EPA and we feel it's appropriate to wait and see if new owners are found for NGS. The Nation has until October 1, 2017 to identify new owners, so we'll know a lot more about the fate of NGS by that date.

Thanks,
